

Free online reference managers

Usually require a login to set up.

Most allow you to install bookmarklets (a toolbar gadget) to enable easy addition of online articles to your collection.

NB It is **essential** you adhere to the requirements of your course, academic organisation or publication.

Things that will save you time and effort.....

The Library staff are here to make your life easier

We have a team of librarians who are able to visit you at your place of work, as well as meet you in our libraries.

We will:

- Provide evidence for work projects / audits
- Train you to search for evidence/articles yourself
- Find articles to use in your assignments

Healthcare Libraries

We still have traditional libraries with books, quiet space for study, and computers to access the internet and e-learning.
