Library Service

[www.hantshealthcarelibrary.nhs.uk](http://www.hantshealthcarelibrary.nhs.uk)

## Membership

There is an annual membership fee of £50. This entitles non-NHS staff to basic services including book borrowing, and to core services for an extra fee. We will give new members an induction to explain the services available.

## Borrowing

To find out which books, reports, journals and audio-visual materials we have in stock, you can use the SWIMS catalogue: [www.swims.nhs.uk](http://www.swims.nhs.uk). Members may borrow up to 8 items.

- Books are issued for up to 28 days and can be renewed twice
- High demand items are issued for 7 or 14 days with one renewal
- Fines of 50p per day apply to late return of high demand items
- Renewals can be made via the SWIMS website, in person, by phone or e-mail

Journals may not be borrowed but individual articles may be photocopied for personal use.

## Photocopying

Self service photocopying is available at most of our libraries for which a charge will be made.

## Document Delivery

External Members can request items not held in the library. Items are charged at the following rates:

Copies/downloading of journal articles:

- £15 per item

Books and reports:

- £15 per item

## Electronic Resources and Athens

If you are eligible for an NHS OpenAthens account, we provide access via OpenAthens passwords to a range of electronic resources through our website. This includes access to over 4,000 journals, databases to search for articles on clinical and management topics, and current awareness services.

## Helping you find healthcare information

Training can be provided on how to search for information, and the resources available to you. This can be delivered one to one or in a group session specifically for your team. Contact us to discuss your requirements. The price will be £30 per hour.

## Literature Searches

Our staff can help you by completing professional searches of the literature for you. These are charged at £30 per hour. Just give a full description of your topic and the type of information you need. You may complete a request form on the library website [www.hantshealthcarelibrary.nhs.uk](http://www.hantshealthcarelibrary.nhs.uk) or a paper form in the library. We will send a list of references to you.

**NB** all charges are subject to review at any time.
