Hampshire Healthcare Library Service

Services to Partner Members

www.hantshealthcarelibrary.nhs.uk

Who are partner members?

Partner Members are staff from other NHS and organisations in the region who are not eligible for library services as core members.

e.g. South Central Ambulance Service, Southampton University Hospitals NHS Trust, prison staff

Please note that all NHS staff have access to a library service, funded by their Trust.

NHS librarians can save you time

A librarian can visit you at your workplace if you need help finding information.

Helping you find information for work

Training can be provided on how to search for information, and using the resources available to you. This can be delivered one to one or in a group session specifically for your team.

Contact us to discuss your requirements. The price is £30 per hour, payable in advance for one to one training and by arrangement for group training.

The library catalogue

Use the **SWIMS** catalogue www.swims.nhs.uk to find books, reports, journals and audio-visual materials we have in stock. Members may borrow up to 8 items at a time and renewals can be made via the SWIMS catalogue, in person, by phone or e-mail

Journals may not be borrowed but individual articles may be photocopied for personal use.

Photocopying

Photocopying is available at most libraries. A charge may be made for this service. Please ask staff for details

Requesting items

Partner Members can request books and journals not held in the library. Items are charged at the following rates payable in advance:

Copies/downloading of journal articles:

· £15 per item

Books and reports:

· £15 per item

Electronic Resources and Athens

You may be eligible for an NHS Athens account to access online journals and other resources.

NHS Athens gives you access to a range of electronic resources through our website: over 4,000 journals, databases to search for articles on clinical and management topics, and clinical summary tools.

Literature Searches

Our staff can help you by completing professional searches of the literature for you. Staff time is charged at £30 per hour. Just give a full description of your topic, and the type of information you're after.

You can request this via our website www.hantshealthcarelibrary.nhs.uk or by using a paper form in the library. We will send a list of references to you.
