## Membership

While on placement with one of our core organisations you may sign up for library membership. On registering at your nearest NHS library location, you will be given a SWIMS membership card. **Please make sure you keep this card for the duration of your studies as it can be reactivated at your next placement:** all NHS libraries in Hampshire, IOW, parts of the South and the whole of South West England use the same membership card.

Membership only covers the library at your placement or study location.

## Borrowing

To find out which books, reports, journals and audio-visual materials we have in stock, please use the SWIMS catalogue: [www.swims.nhs.uk](http://www.swims.nhs.uk)

You may borrow up to 12 items at a time.

- Most books are issued for up to 28 days and can be renewed twice
- Short loan books borrowed from Basingstoke library can only be renewed once.
- You can renew any items by logging to the SWIMS catalogue, in person, by phone or e-mail.

Outstanding fines and/or non returned, lost or damaged items may affect your ability to borrow further stock from this or your university libraries.

Journals may not be borrowed but individual articles may be photocopied for personal use.

## Photocopying

Self service photocopying is available at most libraries. There may be a charge so check with the library for details.

## Electronic Resources and NHS OpenAthens

Your university will provide a range of electronic journals and databases to support your course.

They may also issue you with an NHS OpenAthens account to access NHS electronic resources. If not, you can self-register for one to use whilst on placement via <https://openathens.nice.org.uk/> This will give you access to resources available via [library.nhs.uk](http://library.nhs.uk)

## Further support

- Most of our libraries have PC access
- Wi-Fi is available at some locations
- 24 hour access is available at some locations

The library team will do their best to help you with your enquiries, but please be aware that your university library is your main library for training and support.

Contact details and opening times for our libraries can be found at:
